Cutting Instructions

Feature Fabric: following step 1 on page 2 of the pattern, cut (or rip) the fabric lengthwise 18" from the selvedge to yield one piece 18" by length of fabric & the other about 26" by length of fabric.

Set aside the 26" wide piece to use for borders.

Follow steps 2-4 of the instructions for cut lengths of at least 7" to make identical stack of fabric.

Follow steps 5-6 in the pattern to cut one 2-1/2" strip and one 3-1/2" strip. Sub-cut to at least one 2-1/2" square set and four 3-1/2" square sets.

Courthouse Step Strips:

Center Rings: Follow step 3 O (Orange) on page 2 of pattern for cutting 1-1/2" strips

From the remainder cut one 5-1/4" square for star base triangles, and two 4-7/8" squares for corner triangles

Outer Strips: Following step 4 G (Gold/Brown)

Cut G1 into four 1-1/2" x 8-1/2" pieces & eight 1-1/2" x 6-1/2"

Cut G2 into four 1-1/2" x 10-1/2" pieces & eight 1-1/2" x 8-1/2" pieces.

Cut G3 into four 1-1/2" x 12-1/2" pieces & eight 1-1/2" x 10-1/2" pieces, & two 5-1/4" squares for star points.

Star Background & 1st Border: cut one 5-1/4" square & two 4-7/8" squares plus four 1-1/2" strips for thin border.

Setting Triangles: Follow steps 2-4 under Setting Triangles on page 3 for cutting & sub-cutting one 18-1/2" strip.

Making the Blocks & Wallhanging/Tabletopper Assembly

Courthouse Step Blocks: follow page 4-5 of the pattern to make four of Block 4 (note: O strips instead of R strips)

Star Block: follow page 6 of the pattern to make one Star Block.

Assembly: follow page 6 of the pattern to assemble the blocks on point with the setting triangles.

Thin Border: use 1-1/2" strips cut above.

Feature Print Border: follow page 3 of the pattern and cut four 5-1/2" lengthwise strips from the leftover print fabric.

Now the wallhanging/tabletopper top is finished! Quilt and bind as desired.
