

**Among the Stars Tablerunner (24" x 54")  
 Bonus Project for QM106 Among the Stars pattern**

**Fabric Requirements:**

Feature Fabric for Block Centers, Setting Border & Backing. (Recommend fabric repeat >=8")	2-1/2 yds or 3 yds if >22" repeat
Star Background	1 FQ
Star Points & Snowball Block Outer Frame	3/8 yard
Star Accent Points & Snowball Block Center Frame	1 FQ
Setting Star Points	3/8 yard
Backing	n/a, included above in feature fabric
Binding	<u>3/8 yard</u>
Total Yardage	4-1/8 yards to 4-5/8 yards

**Cutting Instructions:**

Feature Fabric: following 1a on page 2 of the pattern, cut (or rip) the fabric **lengthwise 11"** from the selvedge to yield one piece 11" by length of fabric & the other about 33" by length of fabric.

Follow steps 1b-1d of the instructions for cut lengths of **at least 8"** to make identical stack of fabric.

Follow step 2 in the pattern to cut two strips 3-1/2" x 11" and sub-cut into six 3-1/2" square sets.

Note: only 3 sets of four identical squares are needed for the tablerunner but the extra gives you choices.

Cut a 30" x 60" backing from the other length of fabric and use the remainder for the setting border by cutting five strips 5" x 33" and sub-cut into eight 5" x 15-1/2" rectangles & four 5" squares.

Star Blocks & Snowball Blocks: follow block requirements on page 2 of pattern to cut fabrics for two star blocks and one snowball block

Setting Star Points & Snowball corner triangles: cut one 5" strip & one 5-3/8" strip from the 3/8 yard piece. Sub-cut into two 5-3/8" squares and twelve 5" squares.

**Making the Blocks & Tablerunner Assembly**

Blocks: follow pages 3-5 of the pattern to make the two star blocks and one snowball block.

Setting Units: follow page 6 of the pattern to make six setting units.

Assembly: make two of Row 1 and one of Row 2 following page 6 of the pattern and sew the rows together.

Now the tablerunner top is finished! Quilt and bind as desired.
